

# WATER FEST 2023

STUDENTS ARE INVITED TO JOIN THE CAMPAIGN!

## Pre Water-Fest Activities

Between 5th to 20th July 2023

- 
- Survey at least 5-10 houses around the colony and explain the journey of the Rainwater falling on the roof of those houses with photographs. Prepare a ppt/report on this.
  - Write a story of any organization/house/apartment where Rainwater Harvesting System is being adopted with photographs.
  - Prepare a questionnaire consisting of 10-15 questions on Rainwater Harvesting and collect the information.
  - Organize meetings/discussions with the community people of your locality to aware them about Rooftop Rainwater Harvesting and design a strategy to implement RWH in that locality. Make a ppt or report and present.
  - Prepare a report on Institutions/establishments/factories/hospitals etc. where Rooftop Rainwater Harvesting is in practice. Visit such establishments and make a report along with photographs.
  - Prepare sound tracks, people's voice, responses, short videos on success stories of RWH in Ranchi city.
  - Take digital photographs of water use practices, overflow of water, misuse of water, and similar subjects with a print copy for display in the photo gallery along with caption/narration mentioning the date of photograph taken with place and time.

After completing the pre-fest activities, you will be invited to a location/hall where you will display and present your project. What could be seen at the fest are as follows;

- INFORMATION & KNOWLEDGE GALLERY
- FILM SHOWS, SLIDE SHOWS AND A-V SHOWS
- DEMONSTRATION OF RWH KITS AND MODELS BY GOVT. DEPT./ AND STUDENTS
- PRESENTATION OF STUDY REPORTS BY STUDENTS
- QUIZ, GAMES AND ACTIVITIES FOR STUDENTS
- SONG & MUSIC SESSION ON RWH

**All Participants will receive CERTIFICATE.**
